

### July 2016 Edition

Dear all Puddleduck Parents,

As it is Summer time we are spending more time together taking part in lots of summer fun, planning lots of fun experiences for the children. Our effective contributors have given lots of ideas about what they would like to do over summer. We ask if you can please keep an eye on the calendar to see what is happening in the nursery, as always if you have any questions please don't hesitate to ask any member of the nursery staff team.

The same as last month we will be spending as much time as possible out and about, hopefully we will have some sunny weather, and therefore learning more about keeping safe in the sun. We would ask if you could please bring sun cream and a sun hat during the nice weather. Outings to local parks will be arranged weather permitting and we will keep you posted on the days arranged as the depends on the weather.

The children have decided to go on a camping trip in our nursery garden; we will be setting up our tent and taking part in camping games and activities. We will also be planning a teddy bears picnic and bear hunt so we would love the children to bring in their favourite teddy bears. If you have any camping equipment at home that you think the children would enjoy exploring with, we would be grateful if you handed these in on the day and we will return at the end of the camping day.

As picked by the children the colour of the month is Yellow as “it’s the colour of the sun” and our song is “Tommy thumb is up”, I’m sure your child will sing this to you.

**Please note that the nursery will be closed on Friday the 15<sup>th</sup> of July and Monday the 18<sup>th</sup> of July. We will be open as normal on the 19<sup>th</sup> of July.**

Have a lovely month,

All the Puddleduck Girls
